- E. \$5,100 to be split between the beneficiaries  
(\$1,700 each – AFS, CARE, LB Center youth/senior groups)  
Mike K. is concerned that members paid for large expanses (medals, shirts) since we didn’t have a lot of money in the bank until income from the pride run arrived. This is not a good practice.  
Mike is suggesting that we keep some money from the pride run to maintain for next year’s expanses.
